

# 7th TEACHING ETHICS AT UNIVERSITIES CONFERENCE

June 17-21 Brigham Young University, Utah

“The BYU Teaching Ethics at Universities Conference was one of the most useful conferences I’ve ever attended. The content was terrific. After applying what I learned to my MBA ethics class the next year, I saw an immediate improvement in the quality of the student experience. I can’t recommend the conference enough!”

—Ryan Fehr, Associate Professor of Management University of Washington
