Department of Social Science

The Department of Social Science, Faculty of Liberal Arts & Professional Studies, York University, invites highly qualified candidates to apply for a professorial stream, tenure-track position in Business & Environment or Social Economy at the Assistant Professor level, to commence July 1, 2022. Salary will be commensurate with qualifications and experience. All York University positions are subject to budgetary approval. For information about the Department, see: <https://www.yorku.ca/laps/sosc/>, and about the Business and Society Program: <https://www.yorku.ca/laps/sosc/busol/>.

By July 1, 2022, the successful candidate must have a completed Ph.D. in one of the social sciences, an interdisciplinary social scientific program or a related field (e.g., ethics, law, political philosophy, history, critical management studies, environmental studies), and will demonstrate excellence or the promise of excellence in teaching and research. Candidates will be engaged in an ongoing program of interdisciplinary research in Business & Environment or Social Economy and will have refereed publications appropriate to their career stage. The candidate must be able to offer courses in Business & Environment or Social Economy and have the breadth and versatility to teach the program's core courses from a critical, interdisciplinary perspective.

The successful candidate will be expected to engage in outstanding, innovative, and as appropriate, externally funded research at the highest level.

Candidates must provide evidence of research excellence or promise of research excellence for junior appointment of a recognized international calibre as demonstrated in: the research statement; a record of publications (or forthcoming publications) with significant journals in the field; presentations at major conferences; awards and accolades; and strong recommendations from referees of high standing. The successful candidate is expected to build the Department and Faculty's research strengths and reputation, with the goal of establishing national and/or international research leadership.

The position may involve graduate teaching and supervision, as well as undergraduate teaching; the successful candidate must be suitable for prompt appointment to the Faculty of Graduate Studies.

Evidence of excellence or promise of excellence for junior appointment in teaching will be provided through: the teaching statement; teaching accomplishments and pedagogical innovations including in high priority areas such as experiential education and technology enhanced learning; teaching evaluations; and strong letters of reference.
