

CORPORATIONS AS POLITICAL ACTORS: AN INTERDISCIPLINARY READING GROUP

Organiser: Onna Malou van den Broek ([@onnamalou](https://twitter.com/onnamalou)), University of Exeter, UK

Join us for the second term of our reading group aiming to create a critical and interdisciplinary future agenda on corporate political activity (CPA) research. We will, again, read and discuss a variety of works that defines CPA as a wide range of rulemaking activities; explores power dynamics and hidden forms of control; and empirically studies different spheres of influence.

If you'd like to join, please email o.m.van-den-broek@exeter.ac.uk.
